**Subject:**

Request for LinkedIn Recommendation

Hi, Sean!

Thanks for agreeing to write a Recommendation for me. I hope you can address our mutual work together on the Hell of the West race. I'm positioning myself as an expert in race management, so if you can say something about my work with sponsor relations (especially my role in negotiating the \$980,000 in new sponsorships for the 2016 season, that would be great. Thanks!
