

farm to table events in support of  
**Camphill Village Kimberton Hills**  
**FOOD/DRINK PARTNERSHIP**  
**PROPOSAL**

Partnering with us for Camphill Village Kimberton Hills' *What's for Dinner?* events provides you the unique opportunity to personally connect with like-minded people and businesses in the greater Chester County area while showing your support of our important mission of living and working with adults with special needs.

Each event reaches different audiences and provides a fun, entertaining and engaging way for you to showcase your products. Feel good about supporting Camphill Kimberton as well as sustainable agriculture as you meet new potential customers and enjoy an unforgettable evening that underscores the importance of local food.

*"It was such a lovely, fun and professional event - thanks so much!"*

*"The event was absolutely superb. I thank everyone for being so friendly and genuinely happy."*

*"Loved the family-style tables - that encouraged a lot of conversation."*

Camphill Village Kimberton Hills is dedicated to creating a community where we value service, sharing, spiritual nourishment, and recognition of each individual's gifts and contributions. We are more than 100 people with and without disabilities, sharing our daily life, in ways that are both intentionally therapeutic and intentionally personal.

Camphill Village Kimberton Hills has access to great quality local, organic foods, most created or grown right here in our own community. Because of the success of our first four *What's for Dinner?* farm to table events, we are continuing a series of two seasonal events for 2016.

Event partners are directly supporting Camphill Kimberton's residents, adults with developmental disabilities. Your participation also supports some of the best environmental practices found in sustainable farming, which impacts watershed and land preservation. Our events include a cocktail hour and a seasonally-inspired local, organic meal with engaging presentations between courses.

Camphill Kimberton is a non-profit organization founded in 1972 - sponsorship is tax-deductible. For more information, visit [www.camphillkimberton.org](http://www.camphillkimberton.org)

## PARTNERSHIP OPPORTUNITY

**Target audiences:** Event announcements are sent to more than 3000 local residents and we also promote to numerous local organizations, media outlets, websites and businesses. Email invitations and reminders are sent to more than 1,400 addresses and with a wide social media marketing net, we heavily promote the events.

### Food and Beverage Partners will receive:

- business name listed and linked to in print and email promotions, social media pages and website
- blog entry featuring your business and products, shared on social media and website
- recognition at event, including slideshow, event program menu, and verbal acknowledgement
- opportunity to speak during the event and share your story with our guests
- 2 tickets to event

### Kimberton Hills requests that you:

- after a consultation with our chef, donate food or drink for 40 people to be served at the event
- share social media posts about the event
- post or distribute flyers about the event
- provide photographs to be used in promotions and in event slideshow

To become a partner or for questions, please contact Bernadette Kovaleski at 610-935-8660 or [bernadette@camphillkimberton.org](mailto:bernadette@camphillkimberton.org). Once we receive your commitment, Bernadette will contact you to discuss event arrangements, menu, benefits and recognition. Thank you for your support!
