

Preschool: Weekly Activity Report

Date:

Theme:

This week, children in preschool have been busy with many fun and engaging activities, learning about:

We learn as we share new experiences with our friends, exploring our environment (through developmentally appropriate activities, children practice their language, social and motor skills).

This week, the children had experiences with:

- ★
- ★
- ★
- ★

BOOKS: We read the following books together this week

MOTOR GROUP - During motor group kids try many new and challenging movements. They learn to take turns, following a multi-step course in sequence and to encourage one another.

Mountain Top Music:

DATES TO REMEMBER:

Next week, we will be learning about
