

Dear Family and Friends,

The wait is finally over! Welcome to the sun, sand and relaxation. Welcome to Islamorada, Florida!

We are both so happy & feel very blessed to be able to have our wedding here at the Islander Resort. We are especially honoured that you have traveled so far to be a part of our marriage celebration.

Many years from now when we look back upon our life, love and this day, we will remember that it was not the flowers, the music, nor the food that made our day so special; it is the memories of you, our family & friends helping to celebrate the beginning of our lives as husband and wife that we will cherish most. Having you here for our celebration will make our wedding truly wonderful & we thank you for sharing in one of our happiest occasions.

Please enjoy the goodies included in this bag. They are just a small token of our appreciation.

Please make the most of your stay here in Islamorada. We hope that they next few days will be as memorable for you as they will be for us.

With much love & appreciate,
Gary & Jen
