RE-ADMITTANCE OF STUDENT WEARING BRACES, CASTS, OR USING CRUTCHES

Students who are required to temporarily use assistive devices at school such as casts, splints, canes, walkers, crutches, wheelchairs, etc. shall first present a letter from the prescribing doctor to the principal or Health Services designee that states the necessity for the student's use of the device, any restrictions and the length of time that the restrictions and devices will be necessary.

Please notify your principal if your child is hospitalized, scheduled for surgery or returning to school after surgery. You will be asked for a doctors' note prior to your child returning to school following a hospitalization, surgery and/or if your child has been absent from school for a period of three days or more. The doctor's note must include the reason for the absence and restrictions, if any.

School district regulations regarding the re-admittance of students wearing braces, casts, or using crutches, etc.:

- Students wearing braces, casts or using crutches, wheel chairs, and the like, shall be permitted to attend school only on written permission of the physician in charge of the case.
- If the administration feels that the school environment constitutes too great a hazard, the pupil may be referred for readmission to the district nurse/health assistant.

TO BE FILLED OUT BY DOCTOR'S OFFICE.
