

Dear Family and Friends,

Welcome to The Upper Connecticut River Valley! We are thrilled that you are here to share in the joy of our wedding celebration. We are so fortunate to have each of you in our lives and feel honored that you have traveled great distances to be with us. Our lives have been intertwined for over twenty years and some of you began this journey with us almost that long ago. We have met others along the way and feel that you have all enriched our lives with laughter, love and support. Thank you for your friendship and for being such a special part of our lives.

We hope that you will enjoy your stay in the area we now call home. We've compiled some information about some of our favorite things to do and see in the area. We hope that information we've put together has all of the ingredients that you need to make it a memorable weekend. We can't wait to see you!

Love,

Kim and Josh
