Subject: Parent Guarantor Letter for Emily White

Dear Mr. Klein,

I, **Linda White**, am writing to confirm my role as a guarantor for my daughter, **Emily White**, in connection with her rental agreement for the property located at **45 Birch Lane, Austin, TX 78701**. As her parent, I understand the financial commitment involved, and I agree to cover any unpaid rent, damages, or other obligations Emily may incur during her lease, should she be unable to fulfill these responsibilities herself.

I am fully aware of my obligations as a guarantor and am prepared to meet them as needed. Please feel free to reach out to me directly if you need additional information or have any further questions.

Thank you for considering this letter as assurance of my support.

Sincerely,

Linda White
