DELTRAN FIRE DISTRICT #1
RESOLUTION 2012-17

TO: Board of Fire Commissioners
FROM: Trustees, Station 232
DATE: December 10, 2012
RE: Roofing Quotes

This memo is to request the appropriate PO to secure funds allocated from capital expenditures from 2012 for roof replacement of the shed at station 232. The trustees reached out to numerous roofers, J&L Roofing, Red Star Roofing, Talico Roofing all from the local area, and only two would provide written quotes to us as noted below.

Steve Siding LLC – Riverside, NJ
(attached)

The quote did not include materials we requested, and did not include the roofing structure we requested, and the bid was essentially for a different job. This quote was incomplete.

✓ R&M Contracting – Glassboro, NJ
(attached)

This quote met the needs of the job requested, and includes a workmanship warranty of 5 years. The roof itself (materials) are warranted for 25 years. The quote includes all aspects of the job detailed and itemized. It also guarantees that the cost quoted is what the price will be.

We would like to secure R&M contracting as quickly as possible, as the year is ending. Please let the board of trustees know if you require any additional information.

Thank you.
