

## **Daily Schedule**

### ***Morning Activities***

CSI students begin their days with breakfast at 7 am. All students are expected to be dressed, groomed, and fully prepared to begin the day no later than 6:50 am. Students are in class or RPED from 8 am until 12:30 pm, with a mid-morning break for on-campus errands.

### ***Afternoon Activities***

Lunch is served from 12:30 – 1pm. The students' afternoon schedule consists of approximately 30 minutes of free time, Supplemental Instruction, Support Service Briefings, class or RPED (not necessarily in that order).

### ***Evening Activities***

Dinner is served at 5:30 pm, after which students are given approximately 1 hour of time for personal hygiene and free time. An evening study period is held from 7 to 10 pm, during which students are required to study, do homework, and/or participate in tutoring or study groups. Bed checks are conducted at 10 pm. After bed checks, students are not allowed to leave their rooms except in cases of illness or emergency. Students are allowed to use the time between bed checks at 10 and lights out at 11 for in-room free time, studying or sleeping.

### ***Friday Activities***

The schedule differs slightly on Fridays. Students participate in a weekly Physical Fitness Test on Friday mornings before breakfast. The academic schedule remains the same until lunch. After lunch, students are given time to prepare for their weekly personal and room inspection, safety briefing, and knob knowledge test. After these activities, they are free to leave for the weekend. Students with punishment time will be required to serve supplemental study periods for up to two-hours on Sunday afternoon. Typically students are released on Fridays around 3 pm.

### ***Weekend Activities***

There are usually no formal CSI activities scheduled between 4 pm on Friday afternoon and 6 pm on Sunday evening. The barracks remain open and meals are served at the mess hall, but students are not required to stay on campus. Occasionally, extracurricular activities may be available on the weekend, but weekend activities are not mandatory. Any student who wishes to stay on campus during the weekend has the freedom to come and go at his/her leisure but must abide by the barracks' scheduled evening curfew. Weekend curfew for the barracks is from 12 am to 6:30 am. All CSI students must be back on campus by 6 pm on Sunday evening provided that they have not earned punishment time through the accountability system, in that case they may have to return early.
