

Dear Dr. Gray and awesome staff,

As I prepare for my 1 month check-up  
I once again am reminded as I am  
daily how beautiful I feel now!  
For the first time in my life I  
feel like a woman in a dress, a  
saratshirt and without. Your  
kindness and support before, during  
and after surgery has been wonderful!  
You should all be proud as I am of you!  
Your customer forever ☺

Thank You
