Elam Baptist Church - Tallassee, Al.

We're very happy and excited to announce a program added in 2007. It's called "Pure Hearts" Ministry. It is a ministry focused toward those young adults who have special needs. Our program provides a place where these special needs people can learn, move about, have fun and gain social interaction. The program will include Bible study, recreation and a meal monthly. We want this program to expand as God directs and are depending on word of mouth to publicize it.

Covenant Presbyterian Church in Tuscaloosa

Specialized child care/instruction while parents attend Sunday School and/or Worship. A certified educator and two trained aides are on hand to educate and care for children on the spectrum during Sunday School hours (9:30 – 10:45). These same instructors staff our worship hour and children's church, from 11:00 until 12:30. Parents are encouraged to worship with their children until the Word for Children (about 15 minutes into the service), although alternate care will be provide if that is not an option.

Wednesday night programming. A certified educator and two aides will be on staff from 6 – 8 to provide care and instruction for children with autism. Children's Choir, under the leadership of Glinda Blackshear, practices from 6 – 6:30; supper begins at 6:30. Youth and children's programming begins at 7, with Adult Sanctuary Choir practice starting at 7:15. Families will have the option of attending any of these functions; in addition, space will be provided for a possible parental support group.
