Our Story

Made for Education continues to flourish as the consolidated brand for our generic and bespoke range of paper and digital school products.

Safe Hands

Through this unification we've strengthened our deep rooted values of competitive prices, honest service and trusted quality which have been our backbone for over 30 years. Our operations are under one roof so we've got complete control, meaning you're in truly safe hands.

Purchasing Experience

Equally important we give our customers an easy and enjoyable purchasing experience, more choice and at a price they're happy to pay!

Sector Trends

To keep up with education sector trends, we continue to extend our popular range of school homework diaries and teacher planners to include customised prospectuses and information booklets.

Include Homework4, our digital multi-platform school planner for an impressive choice of customised products any type and size of school will have a need for.

We've got it Made - follow the big pink dot!
