

**St. Mary's Parish  
Donation Form**

St. Mary's Parish (in 2016) has embarked on a project to replace the church roof. Additional future projects include landscaping and access for the front of the church and parking. The electrical system in the church needs to be modernized. Pews are in need of refinishing.

Donations are invited to offset costs of these and other improvements. Please consider making an offering to these projects by completing the form below and submitting it. A representative of the Parish will contact you privately for further discussion if you prefer. If a donation of grain or other gift is preferred, please email to the church at [stmarys9208@gmail.com](mailto:stmarys9208@gmail.com) for information on that process.
