### Notes:

\*\*\*\*The Billable items listed in the top half of the budget sheet are items that will be billed to a student's Kent State bursar's account.\*\*\*

The costs listed above are estimates and **are not the final costs** that will be billed to students. Costs will be finalized the semester before students go abroad.

The Non-billable items are estimated costs that students will pay out of pocket to entities other than Kent State University. These costs will vary depending on many factors such as spending habits and housing options. For the purposes of this budget sheet, costs tend to be overestimated.

The above estimated amount of Kent State University, Kent campus tuition and fees will be charged to your Bursar's account. This tuition amount is only for one semester; if you are an academic year student, you will be charged tuition in the Fall and the Spring. These numbers are based on the non-tuition-guarantee-cohort rate for the 2018-2019 academic year. For tuition-guarantee-cohort rates and the most up-to-date tuition amount, check the Bursar's Office's website: <http://www.kent.edu/tuition>

Note: The above estimates are as of July 19, 2017.
