

## Tell your story!

DEAR DR. KHALDI,

WHEN MY MOTHER-IN-LAW HAD HER STROKE WE FELT ALONE  
AND HOPELESS. NOT ONLY DID YOUR SURGERY SAVE HER LIFE AND  
PROVIDE HER WITH QUALITY OF LIFE, BUT YOU ALSO TOUCHED US ALL  
WITH THE RESPECT YOU GAVE HER. SHE SAID THAT BEFORE THE  
SURGERY THAT ALTHOUGH YOU BOTH PRACTICE DIFFERENT RELIGIONS  
THAT YOU PRAYED WITH HER. SHE STILL BELIEVES THAT THE  
PRAYER WAS WHAT SAVED HER. KEEP DOING WHAT YOU DO IT REALLY  
MAKES A DIFFERENCE.
