

**Time schedule of
Two days workshop on “High Performance Liquid Chromatography (HPLC) &
Its Application”
at
CytoGene Research & Development, Lucknow**

Day1 (21 April 2018)

S.N.	Time	Program
1	10:00am – 11:00am	Kit Distribution & Commencement of Workshop
2	11:00am - 12:00am	Basics of Chromatography Technique and its application
3	12:00pm - 01:30pm	Extraction by Soxhlet
4	01:30pm - 02:00pm	Lunch
5	02:00pm - 03:00pm	Setup of TLC (Thin Layer Chromatography)
6	03:00pm – 04:00pm	Setup of Paper Chromatography
6	04:00pm	Problem Solving Session & High Tea

Day 2 (22 April 2018)

S.N.	Time	Program
1	10:00am - 11:00am	Basic of High performance liquid chromatography
2	11:00am - 12:00am	Column Chromatography and HPLC Instrumentation
3	12:00am - 01:30am	Sample Preparation for HPLC
4	01:30pm - 02:00pm	Lunch
5	02:00pm - 04:00pm	Experimental Set up for HPLC, Result Analysis and Troubleshooting
6	04:00pm	Problem Solving Session, Certificate Distribution & High Tea
