# Carpenter CV Sample

/Your First name and Surname/Your Address/Your Phone Number/Your Email Address/

## Professional Summary

A skilled carpenter on both bench and site work, with experience in new construction, repair and refurbishment of furniture, and all wooden construction on domestic and commercial buildings. Three years' site experience and qualified in all aspects of site and workshop health and safety, including the use and maintenance of hand and power tools. An honest and reliable carpenter, I am capable of working as part of a team or unsupervised. I have my own transport and am prepared to travel for the right opportunity to expand my career portfolio.

## Core Qualifications
