TO WHOM IT MAY CONCERN

Dear Sirs

REFERENCE LETTER

It is my pleasure to recommend the services of Cleaning Africa to you. During the past five years, we have worked directly with Cleaning Africa on numerous sites requiring cleaning, hygiene and pest control services. These include Johannesburg Water depots and Abland Property office parks. The company provides well trained staff, quality equipment and competitive rates. They do an excellent job, are always punctual, reliable and attend to every detail.

We have used the services of other cleaning companies in the past, however Cleaning Africa has definitely raised the bar. We would be hard pressed to consider any other company for our cleaning needs.

I'm happy to recommend the services of Cleaning Africa.

Kind Regards

WENDY DOVALE
