## INTRODUCTION LETTER

Dear Sir,

We wish to introduce ourselves as we are in the field of Maintenance, Repairing, servicing, designing of various types of control valves and Manual valves (size 1" to 28" & rating up to 2500 #) used in chemical, petrochemical, fertilizer, sugar & power plant industries.

We are specialized in modification, refurbishing of all types of control valves (International or Indigenous) viz. pneumatically and manual operated valves like globe, gate, butterfly, piston valve, Ball valve, Eccentric type Rotary plug valve, Orbit valve, Teflon sleeve plug valve chlorine Services valve, Caustic services valve, Check valve, PRV, Diaphragm valve, Self acting PCV, Safety valve, Pilot operated safety valve, Breather valve. All types of Actuator like Rotary, On/Off, pneumatic cylinder, Reciprocating, Piston type & Pneumatic knocker.

We are operating so many make Control Valves (International or Indigenous) like Fisher, Gulde, IL, MIL, Xomox, Continental, Parcol, ABB, Virgo, Tyco, Neles, Orbit, Nuovo Pignone, Samson, etc,

We are Manufacturing & supply any type of parts from casting and forging. Solid rods required for control valves and other required by customer as per drawing or sample like **valve body, plug and seat ring, Cage guide, body stem, yoke, Actuator stem, spring, piston, cylinder, ball. Eccentrics rotary plug, B/F valve fly, actuator top & bottom cover, & Valve Positioner parts etc. in different types of chemical composition, and materials like SS-316/304, SS-316/L, SS-410/416/430, 440-C, SS-321, 318. Monel, Hastalloy, Nical, Titanium, Inconel, 17.4 PH, CD4 MCU, Aluminum, Brass etc.** We are manufacture & supply of diaphragm valve body up to 8" Size. We are providing rubber coating on the fly and body of diaphragm valves attested with DC current arc testing.

We are also manufacturing & supply of Rubber parts for pneumatic actuator, Cylinder, Pneumatic Knocker and other as per customer requirement likes O-Ring, piston seal, V-seal, and sealing bellows, different types of diaphragm and sleeves & Seats for butterfly (Inter, BDK & Pannavis make) in different types of Rubber like Neoprene, Nitrile, Ebonite, Viton, and Silicon, Polyurethane etc. we are supply of valve Positioner & I/P Converter as per customer requirement.

We are also manufacturing of Teflon parts like seat ring for ball valve. Sleeve for plug valve. Teflon bellows, gland packing and other control valve related parts in different types of nuts bolts. Instrument fittings and other metal parts like gear, universal Ball joint linkage & pneumatic knocker & mechanical parts. We are making cylinder liner with inner chrome plating for piston type actuator.

### ➤ **Technical Services:**

We have an independent workshop having latest infrastructure, Machineries & Manpower to undertake all repairs maintenance & manufacturing to meet the customer's requirement.

We are providing on- line services like refurbishment of C/valves on site with calibration, erraction & commissioning of related instruments on turnkey basis & regular preventive maintenance as per your requirements.

**An ISO 9001: 2008 Certified Company**

# Hi – Tech Services

## Refurbish & Repair of All Types Valves & Manufacture Parts.

C-1-B-114/1 G.I.D.C., Narmadanagar, Near Krishna marble, Bharuch-392015 (Gujarat).

Ph.: Off + 91-2642-228541, Fax: 2642-229520, Email: [hitechservices98@gmail.com](mailto:hitechservices98@gmail.com)

Website: [www.hi-techservices.in](http://www.hi-techservices.in)

We are also specialized in modification of control valves like C.V Change as per required Characteristic, Conversion from metal seat to soft seat ring, Conversion of bellows seal to double gland design & other modification require by customer at field in process operation at plant site.

### ➤ Quality & Inspection.

We maintain accuracy in each and every component of our products. We ensure long & trouble free services and thus have established good reputation with quality conscious clients.

### ➤ Following party with Annual Rate Contract.

| Sr. No. | Party Name             | Description of Job                                       |
|---------|------------------------|--|
| 1       | ➤ M/S R.I.L.           | Repairing & Maintenance of Control Valves                |
| 2       | ➤ M/S G.N.F.C.         | Repairing & Maintenance of Control Valves                |
| 3       | ➤ M/S G.N.F.C.         | Repairing & Maintenance of Rotary & Butterfly Valves     |
| 4       | ➤ M/S O.N.G.C.         | Repairing & Maintenance of Control & Mechanical Valves   |
| 5       | ➤ M/S G.F.L            | Repairing & Maintenance of Control & Safety Valves       |
| 6       | ➤ M/S G.A.C.L.         | Repairing & Maintenance of All types of Valves           |
| 7       | ➤ M/S L & T.           | Repairing & Maintenance of Control Valves                |
| 10      | ➤ M/S GUJARAT GAS      | IPRS & PSV Valves Servicing, Meter riding & Calibration. |
| 11      | ➤ M/S FIRMANICH P.LTD. | Repairing & Maintenance of Control & Mechanical Valves   |
| 12      | ➤ M/S Kribhco - Hazira | Repairing & Maintenance of Control Valves                |

### ➤ We are working with other party without Annual Rate Contract.
