PAD

PRESCHOOL ASSESSMENT OF DEVELOPMENT

About PAD

PAD Screening will provide parents with objective developmental information that can be shared with pediatricians and preschool programs.

Parents are urged to call the Stonington Public Schools Special Services Office at 860-572-0506 ext. 4 if their child is between the ages of 2 years, 7 months and 5 years, 11 months to schedule an appointment.

Stonington Public Schools offers PAD (Preschool Assessment of Development), a developmental screening for children 2 years, 7 months and 5 years, 11 months. PAD assists parents in the monitoring of the developmental growth of their children and identifies those who may need some type of intervention. Children eligible for PAD reside in the town of Stonington or attend a preschool located in the town of Stonington.

A trained preschool team will screen any child between the ages of 2 years, 7 months and 5 years, 11 months. Screenings are by appointment only and may be scheduled by contacting the Special Services Office. Screenings are held monthly during the school year.
