

## VACANCY : PRODUCTION PLANNER

### Our company

Beauflor USA, part of an international company with headquarters in Belgium is building a state of the art sheet vinyl manufacturing facility in Cartersville with opening in spring of 2016.

We are currently looking to hire a PRODUCTION PLANNER:

### Your role and responsibilities

The Planner is responsible for developing, maintaining and modifying the schedule of production planning for the cushion vinyl manufacturing plant.

Your responsibilities include, but are not limited to:

- Schedule and review the orders and produce a production schedule on the mid long and long run in order for production planning to meet the customer demands.
- Analyze data of supply and demand in order to optimize the production planning.
- Decide on the minimum and maximum stocks of the products in function of the customer demands.
- Follow up of the purchases of raw materials and consumption goods in order to maximize and optimize the production planning.
- Perform other duties as assigned.

### Your profile

Bachelor's degree in a related field and a significant experience of 5 years in a manufacturing environment. 2 years of industry experience preferred. Good technical knowledge of the products.

Knowledge of commonly-used practices, production operation and scheduling procedures within the field required.

Fluency in English, knowledge of Spanish is an asset.

Proficiency in MS Office: excel and excel spreadsheets

Proven leader and team player with a good work ethic

Strong organisational skills and results-oriented

Excellent attention to detail, a focus on accuracy and a sense of urgency

Able to prioritize with an emphasis on quality of work

Demonstrate a high level of customer service

Strong communication and interpersonal skills

Strong problem-solving skills and Stress-resistant

### Our offer

We offer an opportunity to work in a dynamic and international environment. We offer a competitive compensation package with training to further enhance your career and opportunities for career growth. You will have the chance to be part of the Beauflor USA team in our new facility.
