### PURPOSE

The Performance Evaluation Form is used to objectively measure an employee's job performance. The evaluation is a written record of the employee's job performance and facilitates communication between supervisor and employee. The process should be used to motivate an employee and identify the area(s) of employee strength, those that need improvement and establish job performance, training and development goals for the coming year. A periodic review of the employee's work performance by the supervisor gives everyone a better understanding of the employee's capabilities and contributions to the department and UAB.
