5. Is training accreditation for the identified training requirements 'essential', 'desirable' or 'not required' ?

If the answers in Q4 were automatically replicated in Q5, then the respondent only needs to tick the relevant answer opposite each training requirement.

6. Is there any training your business requires that we have never offered in the past?

(We can fund in-house specific training however, mandatory training for all staff is not fundable under Skillnets guidelines) - can possibly be removed and replaced with other question e.g. about modes of delivery of training which is often a barrier to participation e.g.

What is the preferred method of delivery

- day release part time
- evening part time
- block release (e.g. 3 - 5 days at a time)

Again as noted above under Q5, if the answers to Q4 were automatically replicated for this question, the respondent needs only to tick the relevant answer opposite each training requirement.

7. Is your company looking to undertake any form of H.Dip / Degree / Master's level programmes in 2016-2017? (Please provide detail) - may not be relevant as should be captured above

8. Would your business be interested in showcasing a newly completed project, product or innovation to other members in 2017? If so please supply details in the text box below. – may not be relevant question to this study

9. Do you wish to work out a desirable timeline for delivery, of any of the above training for your business? If so, please tick "Yes" and suggest a suitable date and time for a meeting in the suggestion box below. Should be more specific and refer back to Q4 AND indicate what month/year they would like training to commence

- ☐ Yes
- ☐ No

Yes (please specify date / time, your name and contact email if different from above.)

Further suggested questions:

- Training budget information gathering from companies
- Level of cost prepared to pay for training
- What type of training undertaken in last three months.
