10.16. **LABOR ACTIVITY.** If any strike, boycott, picketing, work stoppage, slowdown, or other labor activity is directed against the Contractor at TFC's facility, which results in the curtailment or discontinuation of services performed herein, TFC shall have the right during said period to employ any means legally permissible to have the work performed.

10.17. **DISPUTE RESOLUTION.** Subject to Texas Government Code, Section 2260.002, the dispute resolution process provided for in Chapter 2260 of the Texas Government Code shall be used by the parties to attempt to resolve all disputes arising under this Contract. In accordance with the Texas Civil Practice and Remedies Code, Section 114.005, the parties agree claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code, Section 114.002 shall be governed by the following dispute resolution process.

(a.) Claims for Breach of Contract and Counterclaims. CMR may make a claim against TFC for breach of a contract between TFC and CMR. TFC may assert a counterclaim against CMR.

(i.) Notice. CMR must provide written notice to TFC of a claim for breach of contract not later than one hundred eighty (180) days after the date of the event giving rise to the claim. The notice must state with particularity: (i) the nature of the alleged breach; (ii) the amount CMR seeks as damages; and (iii) the legal theory of recovery.

(ii.) TFC must assert, in a writing delivered to CMR, any counterclaim not later than the sixtieth (60th) day after the date of notice of a claim under Section 12.11.1.1 above.

(b.) Damages. The total amount of money recoverable on a claim for breach of contract under this Section 12.11 may not, after deducting the amount specified below, exceed an amount equal to the sum of: (i) the balance due and owing on the Contract price; (ii) the amount or fair market value of orders or requests for additional work made by a unit of state government to the extent that the orders or requests for additional work were actually performed; and (iii) any delay or labor-related expense incurred by the CMR as a result of an action of or a failure to act by the unit of state government or a party acting under the supervision or control of the unit of state government.

(i.) Any amount owed the unit of state government for work not performed under a contract or in substantial compliance with its terms shall be deducted from the amount in Section 12.11.2 above.

(ii.) Any award of damages under this Contract may not include: (i) consequential or similar damages, except delays or labor-related expenses described by Section 12.11.2 above; (ii) exemplary damages; (iii) any damages based on an unjust enrichment theory; (iv) attorney's fees; or (v) home office overhead.

(c.) Negotiation. TFC's general counsel shall examine the claim and any counterclaim and negotiate with CMR in an effort to resolve them. The negotiation must begin no later than one hundred twenty (120) days after the date the claim is received. TFC's administrative rules located at Title 1, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the negotiation of any dispute arising from this Contract. In the event negotiation results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the settlement to writing, and each party shall sign the settlement. A partial settlement or resolution of a claim does not waive a party's rights as to the parts of the claim that are not resolved.

(d.) Mediation. Before the one hundred twentieth (120th) day after the date the claim is filed with TFC and before the expiration of any extension of time mutually agreed upon, the parties may agree to mediate a claim made under this Contract. TFC's administrative rules located at Title 1, Part 5, Section 111.31 of the Texas Administrative Code apply to this Contract and govern the mediation of any dispute arising from this Contract.

(e.) Adjudication. On or after the two hundred seventieth (270th) day following the date the claim is filed with TFC, unless the parties agree in writing to an extension of time, CMR may adjudicate any claim in accordance with and to the extent permitted under the Texas Civil Practice and Remedies Code, Chapter 114 or the Texas Government Code, Chapter 2260.

(f.) Payment of Claims. In accordance with the Texas Civil Practice and Remedies Code, Section 114.011, TFC may pay a claim resolved under this Section 12.11 only from

money appropriated to it for payment of contract claims or for payment of the contract that is the subject of the claim. If money previously appropriated for payment of contract claims or payment of the contract is insufficient to pay the claim or settlement, the balance of the claim may be paid only from money appropriated by the legislature for payment of the claim. Chapter 304 of the Texas Finance Code applies to a judgment awarded to a claimant except that the applicable rate of interest may not exceed six percent (6%). Consistent with the Texas Civil Practice and Remedies Code, Section 114.011, property owned by the State or any unit of state government is not subject to seizure, attachment, garnishment, or any other creditors' remedy to satisfy a judgment on a breach of contract claim.

(g.) **Representation of TFC.** The Office of the Attorney General of Texas shall defend TFC in any proceeding or adjudication conducted in conjunction with a claim brought under this Section 12.11.

10.18. **COUNTERPARTS.** This Contract may be executed in any number of counterparts, each of which shall be an original, and each such counterpart shall together constitute but one and the same agreement.

10.19. **NO WAIVER.** Nothing in this Contract shall be construed as a waiver of sovereign immunity by the State of Texas. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. TFC does not waive any privileges, rights, defenses, or immunities available to TFC by entering into this Contract or by its conduct prior to or subsequent to entering into this Contract.

10.20. **FALSE STATEMENTS; BREACH OF REPRESENTATIONS.** By signature to this Contract, Contractor makes all the representations, warranties, guarantees, certifications and affirmations included in this Contract. If Contractor signs this Contract with a false statement or it is subsequently determined that Contractor has violated any of the representations, warranties, guarantees, certifications or affirmations included in this Contract, Contractor shall be in default under this Contract, and TFC may terminate or void this Contract for cause and pursue other remedies available to TFC under this Contract and applicable law.

10.21. **SURVIVAL OF TERMS.** Termination of the Purchase Order for any reason shall not release Vendor from any liability of obligation set forth in the Purchase Order that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution and invoice and verification.

10.22. **ENTIRE CONTRACT & MODIFICATION.** This Contract and its integrated attachment(s) constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Contract specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such attachment and this Contract shall be

construed consistently with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification, renewal, extension or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto.
