

## Module Evaluation Questionnaire

Student feedback is vital to the Institute. Taking into account your views and opinions will help us improve the quality of the student learning experience.

As a result we would appreciate it if you could spend some time completing this questionnaire by circling the number you think is appropriate and then providing a qualitative response in the boxes at the end of the form. The questionnaire is anonymous and as a result no-one will be able to trace your comments back to you.

Once completed the results of these questionnaires will be analysed and an overview compiled which will be reported to the next cohort of students in the module handbook. The overview will also be used to inform discussion at programme team meetings and in the annual programme report. You may request a copy of the previous year's annual module or programme report from the relevant support office.

Thank you for your help.
