NOTES TO CANDIDATES:

Art Scholarship Requirements

The practical element of the Art Scholarship at Ewell Castle School will take consideration of two main elements:

- 1. The Portfolio (which should be submitted by Friday 8th November 2019)**
- 2. The Practical Test**

Portfolio

With regards content of the folio, the primary interest is to see a broad range of artistic approaches and techniques being used. A selection of work can be submitted that can consist of school or home produced outcomes. In addition, if the applicant has participated in any extra-curricular events/ workshops – it would be good to see these too. Original work is better but if this isn't possible, please feel free to submit some good quality photos of the artwork.

Each portfolio submitted must be well organised and well presented. Size is not vitally important, but our advice would be that it should be either A2 or A1 to make sure work is exhibited to its full potential.

As a further guideline, we would expect that the portfolio should include a selection of the following:

- High quality observational drawing
- Work using colour (dry or wet)
- Imaginative/ creative outcomes
- Photos of any 3D work (if relevant)
- One complete sketchbook (not individual pages torn out)
- Complete/ finished work
- Exploratory work
- Self-initiated work
- Extra-curricular work

It is expected that each candidate would **submit between 10 and 20 items of work.**

Please make sure that each folio is clearly labelled with the **candidate's name and contact details.**

Once the portfolios have been assessed, those candidates whose work is considered to be of the required standard in their portfolio will be asked to come in to participate in the practical test.

/Continued....

The Practical Test Date:

The practical test will take place for selected candidates on **Friday 29th November 2019**. It is expected that candidates for the Art Scholarship will spend around 1 hour with members of the Art Department, completing a practical task and presenting and answering questions about their portfolio. The task will not be pre-released, but will consist of a short practical response from each candidate, with the details of the task provided that morning. The two key objectives of the task will be to assess each student on:

1. Their ability to produce high quality observational responses.
2. Their ability to respond in a personal and creative way.

References and Testimonials

If you wish to include references or testimonials in support of your application, please send them with your application and state their connection to the candidate, i.e. art teacher, art tutor etc. I regret that it will not be possible for the School to contact referees to request a reference.

Further Information

Please do not hesitate to contact Ms D Carrick, if you have any further queries - d.carrick@ewellcastle.co.uk.
