Outside Scholarship Reporting Form

Student Name _____ NUID _____

Cell Phone _____ Email Address _____

Students are required to notify the Financial Aid Office of any outside awards (scholarships/other assistance) that are received for college education expenses as soon as you become aware of them. Your Award Package should disclose all financial aid you are eligible to receive and scholarships you have been awarded. If you receive outside awards that do not appear in your Award Package, this may result in a Federal Financial Aid overaward which could cause a possible delay in disbursing your financial aid, or being overpaid financial aid and then having to pay it back.

Please list any outside awards below. Do not list aid awarded by Peru State College that is in your Award Package. You may submit more than one form if necessary.

ACADEMIC YEAR: _____

Outside Award Name	Academic Year Amount	Fall Term Amount	Spring Term Amount

Outside Award checks that are payable to Peru State College or co-payable to the student and the college, will be processed by the college. The student's endorsement must be on the check. Checks should be mailed to the Peru State College Business Office, PO Box 10, Peru, NE 68421.

Signature: Signing this form certifies that all the information reported on it is complete and correct. I will notify the Office of Financial Aid of any additional outside awards that I receive or changes to the awards listed above.
