

## PROJECT GRADUATION 2018

Dear Friend,

Project Graduation has been a tradition at Northern Valley Regional High School at Demarest for 25 years. It is a non-profit 501(c)3 organization run by parent volunteers and not affiliated with the school. The concept originated in Maine in 1979 in response to the deaths of 18 teenagers in alcohol-related crashes on graduation night. Seven of the teens were from one community.

The program provides an all-night, alcohol and drug-free party exclusively for graduating seniors. Thousands of high schools nationwide participate yearly.

Our goal is to raise enough money to subsidize the cost of the event in order to make it an affordable option for all students. Our biggest fundraisers are the Senior Fashion Show and the Harlem Wizards Basketball Event. You can show your support by purchasing an ad in the Fashion Show Journal (using the attached form). If you prefer, you can also support the event with a donation of a gift card or merchandise to be used in our Silent Auction and Raffles.

We are most grateful for all of the contributions that we have received over the years and hope we can count on your support. If you have any questions please contact the following volunteers:
