

# Fisher Scholarship Program Teacher Recommendation Form

**Applicant's Instructions:** Please complete Section A. Give a copy of this form to two science/math teachers who can assess your academic, scientific, and other relevant skills and abilities.

**Recommender's Instructions:** Please complete Section B and sign and date at the bottom. Place this completed form and a Letter of Support, on official school stationary, in a **sealed envelope, signed by you across the flap**, and give the envelope to the student. If you have any questions, please call 410-704-2121 or e-mail FisherScholarships@towson.edu.

## Section A — The applicant completes this section.

1. Applicant's Name (last, first, middle) Please print.

2. **Applicant's Certification:** I certify that I am requesting a recommendation from a science/math teacher of my choosing which will be included in my Fisher Scholarship application. My application, including the completed recommendation forms submitted by my recommenders, will be used by the Fisher Scholarship Committee to determine my eligibility for participation in the program. I understand that by signing below, I will not have access to this recommendation, based on the promise of confidentiality provided to my recommender in Section B of this form.

Applicant's Signature (Sign your full name in ink.)

Date

## Section B — The recommender completes this section.

1. Name and Title of Recommender (Please print)

2. Name of High School, Mailing Address, Telephone and E-Mail

3. How long have you known this applicant and in what capacity?

4. In the table below, please assess the applicant in the listed categories based on your relationship and familiarity with the applicant compared to other students in the same class year.

Category	Superior Top 1%	Outstanding Top 5%	Excellent Top 10%	Good Top 33%	Average Top 50%	Below Average Below the Top 50%	No basis for Judgment
Ability to complete projects accurately and timely							
Writing skills							
Analytical problem-solving skills							
Rapport with peers							
Rapport with faculty							
Ability to adapt to new situations							
Initiative							
Curiosity							
Creativity							
Observation skills							
Effort/Perseverance/Commitment							
Overall							

5. On a separate sheet please comment on the applicant's aptitude for science and mathematics, potential for academic excellence, and promise of a career in a science or mathematics discipline represented at the Fisher College of Science and Mathematics. For example, your comments may include your assessment and observations of some of the following attributes: interest in science or mathematics, commitment to a scientific or mathematics discipline, engagement in academic risk-taking behaviors (experimenting, researching, challenging, questioning), creativity, curiosity, initiative, work habits, peer relationships or any of the categories in the table of question 4.

6. **Certification:** I certify that the information provided is accurate to the best of my knowledge. I may be contacted by the Fisher College of Science and Mathematics at Towson University if more detailed elaboration is needed for the information I have provided.
