

Scholarship Recipient Profile

Congratulations! It is an honor to be selected as a scholarship recipient!

Lehigh's generous donors have established more than 1,000 scholarships so students are able to attend Lehigh regardless of their financial situation. These donors are successful alumni and friends of Lehigh who have worked hard and who proudly give back to ensure **your** academic success.

Scholarship donors are interested in learning about the students they support. It allows them to obtain a glimpse of how the gift has made a difference in the life of a student. To facilitate this, each year, scholarship recipients complete this form as a requirement of accepting a scholarship award. The goal of this form is to share a little about yourself with your donor and thank them for their generous contribution to your education.

To make this process easy for you, we have created a simple Google form.
Please [click on this link](#) to submit your responses.

Things to consider:

- Your responses are important! Please be thoughtful and take your time while crafting your message.
- Your responses will be shared directly with your donor in a report that will be sent during the fall semester.
- Your donor did not select you as the recipient of this award, but provided the funds for the scholarship. You were selected by the Office of Financial Aid because you may have matched with specific criteria.

If you have any questions regarding completion of this form, please contact Casey Sharkey at pcs214@lehigh.edu or 610-758-3815.

In addition to your responses, a photo of you will also appear in your donor's annual report. More information about photo sessions will be emailed to you upon your arrival back to campus in the fall.

Congratulations again on your award and I look forward to seeing you soon.
