

## Sponsorship Donation Form

### Solar Energy for Bright Minds – Help Make a Difference!

Solar Energy for Bright Minds will give local schools the opportunity to compete to earn a PV system. For the first time, the winner of the annual PVSC High School Photovoltaic Design Competition will receive a PV system installed at their school by a local solar power provider at no cost to the school.

There are several ways you can support our vision, which includes the **First Annual Golf Tournament Pedometer Fitness Challenge**, or direct contributions. See separate flyers for the Golf Tournament and Pedometer Fitness Challenge. Please use the form below to make direct contributions to help us make Solar Energy for Bright Minds a reality in Texas.

Checks must be made payable (in U.S. dollars) to "2012 IEEE PVSC". Please write "Bright Minds Charity" in the memo field and include a completed copy of this form with your payment.

Company Name: \_\_\_\_\_

Company Address: \_\_\_\_\_
