Please Attach any flyers or other forms associated with the request

Community Donations Guidelines

At Security National Bank we are passionate in our support of local educational and charitable causes. You will find Security National Bank people and Security National Bank dollars supporting many worthwhile community endeavors, from the United Way to Little League and from elementary schools to our fine colleges and universities, and so many others. We take our corporate responsibility to our community very seriously; we've been a community leader for decades.

Security National Bank is delighted to be able to say "yes" to the many requests we get for donations, sponsorships, volunteers and other contributions that support our communities. We strongly believe in investing our money locally and doing everything in our power to support the people and groups in our neighborhoods.

We are able to continue donating to many activities and investing in our communities because so many local individuals, businesses and organizations choose to be a part of the Security National Bank family. Please note our ability to continue supporting so many organizations depends on our success as a community bank. It is our preference to support those who support us in our mission by being a client of Security National Bank. Our sponsorships fall into the following categories:

- Education
- Community Service
- Arts and Culture
- Sports (youth teams only, not individuals or adult teams)
- Social/ Health
- Economic Development
- Agriculture

We receive hundreds of requests for donations per year. As that number steadily grows, to ensure that we continue our tradition of community involvement, and to comply with Community Reinvestment Act (CRA), we have established a set of guidelines.

- Donations are restricted to non-profit organizations in areas where the bank is located.
- We do not provide funding to individuals or politicians.
- We do not provide funding to organizations that discriminate against individuals on the basis of race, color, religion, national origin, age, gender, gender identity, disability, or sexual orientation.
- Organizations and individuals should complete a Request for Donations form for consideration.
