Continuing Student Scholarship Appeal Form

Name: _____ UM ID#: 790-_____

E-Mail: _____ Phone#: _____

All scholarships are awarded with the requirement that students maintain a minimum GPA and be continuously enrolled (autumn/spring) full-time. Students who fail to meet the eligibility requirements may appeal for reinstatement, after the scholarship has been rescinded (not in anticipation of it being rescinded).

Furthermore, renewability of scholarships does not exceed a total of four years, and sometimes is less. Students are expected to complete enough credits each term to graduate on time. Students who wish to seek multiple majors, minors or concentrations are expected to do so by carefully mapping out a plan that leads to graduation within the limit. Students who exceed the limit can appeal for additional years, but must demonstrate extenuating circumstances in order for the appeal to be granted.

Explanation:

Below, please provide a brief justification for reinstatement or extension of your scholarship.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
