Message to “newer” drivers:

We all know the GPS doesn't always bring you to where you are trying to go and as you're trying to learn your way around that can be very frustrating. Other drivers would tell you that using the “Address Atlas” books (people call them “Plat Books”) is very helpful! If you're struggling with the GPS, try using one of those books. If it's not already in your bus, ask a fellow driver if they have one you can use.

It's wintertime! Please take time to shovel the snow away from the garage door before you exit. Otherwise, the snow will build up and prevent the garage door from closing properly. Thanks!!

Starting in January 2020, Newsletters will also be sent out via video. I would like to feature 1-3 Rainbow Rider Employees per month! If you have any topics you'd like to get covered or training videos you'd like us to make, please let us know!
