

# Data Confidentiality Agreement

To minimize the risk of human error and misuse of information, Charter Academy will provide a range of training opportunities for all staff, including volunteers, contractors, and temporary employees with access to student educational data or confidential educator records.

All Charter Academy employees and contracted partners must sign and obey school Privacy Policies, which describe the permissible uses of state technology and information.

By signing this Agreement, I attest that I have read and agree to follow Charter Academy Privacy Policies, Network Access Policies, and Confidentiality Policies. I understand that noncompliance with these policies shall result in consequences up to and including removal of access to Charter Academy network and data; if this access is required for employment or continued engagement, employees and contractors may be subject to dismissal.
