Service Learning is coordinated through the Office of Student Life. The Civic Honors and Campus Impact programs offer students the opportunity to earn service awards. Various service trips will be scheduled in a semester to give students the opportunity to do service within a group function and the program hour eligibility will be designated by an asterisks.

In a semester there are special events coordinated through the Office of Student Life. Special events including: Orientation, Opening Day, Welcome Week events, and other miscellaneous events throughout the semester.

SGA stands for the Student Government Association. The Leadership Council has general meetings typically every two weeks during the semester. This is an opportunity for student voices to be heard by administrators. Students clubs & organizations must be represented in the council, but meetings are open to all students.

Drug and alcohol prevention, domestic violence prevention, and healthy lifestyles programing as well as single parent resources are offered through Student Support Services. These events are dedicated to promoting awareness and offering valuable resources to our students.
