## **General Conditions of Use**

These general conditions of use regulate access and usage of the different contents and services included or accessible through the websites developed by **InsocFerial** and located at the following addresses:

<http://www.inferial.com>

<http://www.cinve.es>

<https://www.cinvegroup.org>

<http://www.cinvegroup.com> (Hereinafter the Website).

By accessing this Website you become a user. The use of this Website and any of the services it contains implies your acceptance as a user, without any kind of reservation, of all these general conditions and to any particular conditions that may be in force for the use of this Website or the services linked to it.

## **Services provided by the Website**

**InsocFerial** reserves the right to modify the presentation and configuration of the Website, as well as the corresponding services and usage conditions, without this leading to the user having any right for compensation.

## **Obligations of the User**

The user is obliged, in general, to use the Website as well as the services linked to it diligently and in accordance with the law, with moral standards, with public order and with the provisions set forth in this Legal Notice, and users must likewise abstain from using them in any way that

may prevent the web site's other users from the normal operation and use of the content of the same or that may harm or cause damage to the assets and rights of **InsocFerial**, of its suppliers, of its users or, in general, of any third party.

More specifically, but without hereby limiting the general scope of the obligations set forth in the preceding sentence, users are bound, when using the web site and the services linked to the same, to:

- Not introduce, store or distribute, through the website or through any of the services linked to the same, any computer program, data, virus, code or any other electronic instrument or device that may be likely to cause damages to the website, to any of the services linked to the same or to any equipment, systems or networks of **InsocFerial**, of any user, of any supplier or, in general, of any third party, or that, in any other way, may be capable of causing any type of alteration to them or preventing the normal operation of the same.
- Not to destroy, alter, make unusable or damage the electronic data, information, programs or documents of **InsocFerial**, of its suppliers or of third parties.
- Not to use the content, particularly the information obtained through the website, to forward advertising, send messages for commercial purposes or collect or store the personal data of third parties.

The User shall respond for all damages that **InsocFerial** or any of its subsidiaries may suffer directly or indirectly, as a result of a breach of any of the obligations derived from the general or particular conditions regarding the use of this website or any of the services linked to it. Likewise, the user will hold **InsocFerial** harmless from any fines, claims or lawsuits that may be filed by a third party, including and public organism, against **InsocFerial**, its subsidiaries, employees or agents as a result of the breach of any of the rights of the third party made by the user by means of the Website or the services linked to it in a manner contrary to the provisions of the applicable general or particular conditions.

### **Intellectual and Industrial Property**

The user acknowledges that all elements of the website; the information and materials contained in the same; the structure, selection, ordering and presentation of the content thereof, as well as the computer programs used with them are protected by intellectual and industrial property rights held by **InsocFerial**, its subsidiaries or third parties.

Unless the user is authorised by **InsocFerial** or, if applicable, by the third parties who may own the corresponding rights or at least may be legally permitted, the user may not reproduce, transform, modify, disassemble, do reverse engineering on, distribute, lease, provide, make available to or allow public access to, through any public communication mode, any of the elements referred to in the preceding paragraph.

Users must use the materials, elements and information that they access through using the web site solely for their own needs, and they are hereby bound not to make commercial use, either directly or indirectly, of either the services or of the materials, elements and information obtained from the same.

Users must abstain from eliminating the identifying signs of the rights (of intellectual or industrial property or any other) of **InsocFerial** or of the third parties that may be included in the website and in the content offered through the same. Likewise, users must abstain from avoiding or manipulating any technical devices established by **InsocFerial** or by third parties, either on the

website or in any of the materials, elements or information obtained through the same, for the protection of their rights.

### **Exclusion of Guarantees**

**InsocFerial** undertakes to make every necessary effort to guarantee the availability and continuity of both the website and the services linked to the same. Notwithstanding, **InsocFerial** cannot guarantee that the website and the services linked to the same will work correctly at all times or that users can access them and use them quickly, without interruption and free from errors. Likewise, **InsocFerial** does not concede any guarantee as regards the suitability and the contents of the website or related services for the satisfaction of the user's specific necessities.

**InsocFerial** will act diligently according to generally accepted uses in the sector to prevent the presence at the web site or in any of the services linked to the same, of viruses or other harmful elements that could cause alterations to the computer system or the electronic documents or files of users, but it cannot guarantee the absence of such elements and may not be held liable for the damages that could be caused by the same.

**InsocFerial** does not control or endorse or guarantee the accuracy, quality, veracity, reliability or suitability of the information and services provided or rendered by third parties through the website. Likewise, it does not control or guarantee the absence of viruses or other harmful elements in the content or services provided or rendered by third parties through the website.

**InsocFerial** does not guarantee the technical availability, quality, reliability, accuracy or veracity of the content and services available at sites that belong to or are managed by third parties and that users may access through links from this website. **InsocFerial** does not control the content of said websites or offer or market the products and services that are available at the websites that are thus linked, nor does it consequently assume any liability for the same.

### **Hyperlinks**

In the event that the user wishes to include a hyperlink to any of the websites of **InsocFerial** in their website, this hyperlink should not lead to any confusion as regards the absence of a link between **InsocFerial** and the user, neither will it lead the user to believe that any of the contents of the user's website have been made by or have the approval or support of **InsocFerial**.

The user should establish the hyperlink in such a manner that the Internet users accessing it and viewing the integral content and configuration that the website of **InsocFerial** has at that moment, without said content, either entirely or in part, appearing framed by the website offering the hyperlink or by any of the contents of the same and without the content of the **InsocFerial** website appearing inserted, superposed or in any manner together with other contents, either informative, publicity or of any other type that are not those of the **InsocFerial** website or its subsidiaries. In this respect, operations such as framing or any other operation that would impede Internet users that use the hyperlink seeing the website of **InsocFerial** in the same way as it would be seen by any other user accessing it directly will not be carried out.

The user will abstain from carrying out any action that could result in a deviation of **InsocFerial** website traffic. In particular, the user will abstain from introducing, either as a metatag or in any other manner in the source code of their website any keyword or code that were to identify a content or product of **InsocFerial** and the inclusion of which is not justified by the existence of similar contents of products of the user.

The user will not include in their website contents, links, publicity or any other material that could damage the image of **InsocFerial**, including, in particular, the following materials: (1) Illegal, (2) infringing the rights of third parties, (3) Denigrating products of **InsocFerial** or its competitors, (4) Sexual or violent, (5) Promoting any type of racial, sexual, religious, age or sexual orientation discrimination, (6) Any other content that in the opinion of **InsocFerial** is not compatible with the rights, the image or interests of **InsocFerial**.

### **PERSONAL DATA PROTECTION**

In compliance with the provisions set forth in Organic Law 15/1999 of 13 December, on Personal Data Protection and implementing provisions, **InsocFerial** informs the user of the existence of an automated file containing personal data created for and by **InsocFerial** and under its responsibility, with the aim of maintaining and managing the relationship with clients and users, as well as for information, training and commercialisation activities and activities related to the same.

At the moment of requesting any of the services related to the Website, **InsocFerial** may require to collect some data from the user in order to offer these services. In this case, the user will be informed of the necessary or voluntary need to collect this data in order to supply the corresponding service. However, not supplying the voluntary data requested will impede **InsocFerial** from providing the other services related to this data.

**InsocFerial** informs the user about the possibility to exercise his rights of access, rectification, opposition and cancellation of the personal data collected by **InsocFerial**.

The rights of users to access, rectify, cancel and oppose data may be exercised by the user, or those who represent the user, at the request sent by regular mail, signed and addressed as follows: **InsocFerial; c/ Fuentes, 3, 3ºF – 28013 Madrid (Spain).**

This request will have to contain the following information: Name and last names of the User, address for the purposes of notifications or Passport, and the specific request. In the case of representation, it must be proven by means of attesting documents

**InsocFerial** pledges to comply with its obligation to ensure the secrecy of personal data and its duty to treat such data as confidential, and will, to this end, take all necessary measures to prevent these data being altered, lost, or processed or accessed without authorisation, in line with the current Regulation of Security Measures of computerised files that contain data of a personal nature, approved by Royal Decree 994/1999, of 11 July.

### **Communication**

Users hereby give their consent so that **InsocFerial** may send them commercial communications referring to its products or services, either by e-mail, by postal mail or by any other means, and they may request, at any time, that these communications cease to be sent. For this purpose, as well as for any other sort of query, the user may contact **InsocFerial** by conventional mail at the registered address of the company.
