Worth

CHARTERED ACCOUNTANTS & BUSINESS ADVISERS

Payroll Services

You could save hundreds of hours every year by outsourcing your payroll to us.

Fully GDPR and HMRC-compliant, Howard Worth's invaluable back office payroll service helps business owners save time and money, allowing them to focus on what's important to them: their business.

The benefits of outsourcing your payroll

-  Free up valuable time to invest in the core activities of your business
-  Access to specialist advice and support from our experienced team
-  Complex legislation and Real Time Information (RTI) is covered
-  No need to purchase specialist software
-  Peace of mind that your payroll will be processed accurately and on time
-  The option of online payslips via a secure, cloud-based portal

Our services

- Processing payroll for any number of employees
- Payment frequency to suit your business needs
- Calculations of Tax, National Insurance Contributions and statutory payments
- Auto-enrolment – We offer advice and solutions for your business in order to meet its obligations

Why work with us

We offer a trusted and reliable payroll service to ensure your staff are paid accurately and on time. Whatever your needs, we can offer a variety of solutions tailored to your individual requirements. We can provide a payroll solution that works for your business and your employees.

What our payroll clients say

“ Our payroll expert is FANTASTIC – always so helpful and spot on with her advice ”

“ The payroll team are always extremely helpful ”

“ We have worked with the same individual who has processed our payroll for approximately four years, during this time they have always been extremely helpful and very pleasant, providing a fabulous service to us on behalf of Howard Worth ”
