Fiesta: CDS' Annual Spring Auction & Community Celebration

Who are we? Children's Day School is an independent co-educational school for students in preschool through eighth grade. With two campuses, the CDS footprint is an integral part of the Mission Dolores neighborhood. Our founding campus is located in San Francisco at 333 Dolores Street and our newly acquired and renovated middle school is located just down the street at 601 Dolores. Having our campuses in such close proximity, and in the heart of the Mission Dolores neighborhood, helps us further our mission of having an immediate impact on our community.

What is Fiesta?

On March 24, 2017, CDS will hold Fiesta, our annual community benefit auction at Bimbo's 365 Club. This event, which includes an online, silent and live auction, directly benefits CDS' sliding scale tuition. Each year over \$2.5 million is awarded – and 30% of students receive sliding scale tuition. CDS is proud to be a leader in socioeconomic diversity among San Francisco independent schools, and with Fiesta's efforts to raise hundreds of thousands of dollars each year for sliding scale tuition, CDS can continue to be accessible and affordable to families from a broad range of economic circumstances in the Mission District and beyond.

Benefits of your support

By helping to sponsor this event you help ensure that all net proceeds are used to support sliding scale tuition. Additionally, it offers wonderful benefits and visibility, through printed and online materials, to our sponsors as the event will attract around 400 community members attending in addition to over 1000 alumni parents and grandparents.

Please complete and return the enclosed sponsorship form and your promotional materials by February 27, 2017 in order to have your organization listed in the auction program.

CDS is a 501(c)(3) organization and your donation is tax deductible to the extent allowed by law. CDS' federal tax identification number is 94-3248631.
