OBJECTIVE

Dedicated registered nurse with specialty experience in psychiatric nursing looking for full-time employment. Reliable healthcare provider with ability to stay calm and intervene during crises. Proven ability to build positive relationships with patients, family members, physicians and other medical professionals.

EDUCATION AND CERTIFICATION

- 09/14 Registered nurse by National Board of Health and Welfare, Sweden
- 06/13 Registered nurse, Ministry of Health and Population, Egypt
- 09/09–06/13 Bachelor of Science in Nursing, Cairo University, Egypt
Concentration in Psychiatric Health

WORK EXPERIENCE

- 07/13–06/14 Registered nurse, Saad Soliman Hospital, Zagazig, Egypt
Assigned to the mental health unit, I played a key role on interdisciplinary team of psychiatrists, nurses and social workers. I actively participated in development and implementation of individual treatment plans for patients with broad range of mental health issues.
- 09/11–09/12 Student Nurse, Cairo University Hospital
Worked under the supervision of a registered nurse providing bedside care, treatment and clinical documentation for patients on cardiac, oncology and medical-surgical floors.
