**Subject:** Letter of resignation

Dear Rachel:

Amid the reactions immediately following the recent *BuzzFeed* article about me, I expect that many *Bulletin* subscribers and fans were upset. I want to assure them, and you, that the claims about me in the story are incorrect. As you know, I have denied the story's allegations. BuzzFeed was provided with abundant counter-evidence that was ignored or distorted in their story.

The work of the *Bulletin* is important to me and paramount to our community. I appreciate the kind words you relayed from my colleagues on the board and understand from our discussions that the board feels that as a result of the various reactions to the article my presence on the Board of Sponsors at this time distracts from the ability of the *Bulletin* to effectively carry out that work. I therefore resign from the Board of Sponsors effective immediately.

It has been a privilege to lead the Board of Sponsors and to work with you and our colleagues at the *Bulletin*.

Lawrence
