

Event Analysis Intern (4-6 month full-time)

Hungry for experience? We are looking for interns who want to showcase their talents and show what they are made of. Are you one of them?

You have:

- Top-notch analytical skills
- Meticulous attention to details and strong organizational skills
- Understanding of data collection processes
- Experience with Excel
- Excellent oral and written communication skills
- Self-motivation & pro-activity

Maybe you already have:

- Familiarity with gathering feedback and handling participant data
- Passion for research analytics

Among other things, you will:

- Analyze event and training efficacy
- Support the efforts of the team in KPI measurement
- Work across teams to gather information and report findings
- Maintain database with up-to-date information
- Provide support to our events team in registrations, participant communication, sign-ins and collecting feedback

We are:

A **non-profit organization** that encourages more people from diverse backgrounds to consider creating or working for a startup to best utilise their skills and aspirations. We inspire and empower our community through events, workshops, trainings and programs.

Perks & Benefits

- An entry point to the startup community and opportunity to network
- A place of work centrally located in Helsinki, in the hottest Nordic Startup hub Maria 01
- Access to The Shortcut community events (Startup Mingle Lunch, workshops, community breakfast, etc.)
- Access to the gym and social activities in Maria 01 (afterwork pizza hangouts, drinks and breakfasts, parties, etc.)
- Platform to show your skills while being visible to potential employers in high growth companies
- A fun, relaxed environment where you can make your voice heard and actively shape what happens at The Shortcut

This internship can be completed for credit if arranged in advance with your university.

Since motivation is key for us, please tell us in your cover letter what you intend to gain from the internship.
