### Scope of Work

*(Note: Work does not include any construction or installation)*

All services provided by Designer are on an hourly basis.

Design and Drafting are hours spent preparing drawings. The rate for Design and Drafting is \$75.00 per hour. Designer will create one Concept plan. Concept plans are renderings of design ideas and suggestions. Designer can then review plan with client and incorporate clients change requests and comments to create a Master Plan. Master Plan will show location, names and quantities of plant material as well as location and dimensions of any new hardscape (construction). Client will be provided with 2 copies of each plan, and detailed cost estimate with Master Plan. Additional plan revisions will be made as client requests.

Consulting hours are any hours to be spent performing site surveys, consulting with clients, off site preparation of recommendations, locating and shopping for materials, supervising or consulting with contractors, preparing cost estimates and material lists, preparing photographs and travel time. Consulting hours are billed at \$50.00 per hour.

Estimated cost of project: \_\_\_\_\_ Not to exceed \_\_\_\_\_ without client consent.

All terms and conditions on the back of this document apply to this agreement.
