## **2. Appointment & the Reseller's Rights**

2.1 RTSW appoints the Dealer, and the Dealer accepts the appointment, as a non-exclusive Dealer of the Software in the Territory. RTSW may itself market, distribute and licence the Software and may provide support and maintenance services, consultancy and other services to users of the Software in the Territory, and may appoint one or more parties to market, distribute and licence and provide such services, or act as RTSW's agent for the marketing, distribution and licensing of the Software and the provision of such services in the Territory.

2.2 The Dealer warrants to RTSW that the Dealer has, and throughout the term of this Agreement will have, the ability and experience to carry out its obligations under this Agreement, and that by virtue of entering into this Agreement and performing it, the Dealer is not, and will not be, in breach of any express or implied obligation to any third party.

2.3 The Dealer may not appoint any Dealer, agent, dealer or distributor for the Software and may not sub-contract to any person the provision of First Line Support and Professional Services to End Users or any of the Dealers obligations under this Agreement.

## **3. Duration**

3.1 This Agreement will continue in force for the Minimum Period. After the end of the Minimum Period it will continue automatically until it is terminated on the expiry of not less than 3 months written notice given by either party to the other (that notice to expire at any time) or until this Agreement is terminated earlier under Clause 11

3.2 RTSW may discontinue developing, producing, licensing or distributing all or any of the Software and/or any services in relation to the Software, and may modify, update and issue new releases and new versions of the Software and Error Corrections, at its discretion at any time.

## **4. Supply and Payment**

4.1 The Software is a dongle protected runtime package. The Dealer will order the licences of the Software from RTSW by means of ordering a Dongle for each copy of the Software for

which the Dealer has an order from an End User in the Territory.

4.2 Each order will be an offer to buy the number of licences of the Software on that order. A contract for the sale of the right to grant those licences of the Software to End Users will come into existence only when RTSW notifies the Dealer in writing that RTSW accepts the Dealer's order. RTSW accepts the right not to accept any order, as it sees fit, without giving any reason.

4.3 Orders placed by the Dealer purporting to include any terms or conditions except those contained in this Agreement, or to vary the terms of this Agreement, will not be valid unless those other terms and conditions are expressly accepted by RTSW in writing.

4.4 The price payable by the Dealer to RTSW for each licence of the Software will be that in the Price List when RTSW accepts the Dealer's order, less any discount calculated in accordance with the Schedule.

4.5 The Charges are exclusive of Value Added Tax and all other taxes and duties. The Dealer will pay Value Added Tax in accordance with United Kingdom legislation in force at the tax point and all other taxes and duties payable in connection with the supply of the Software and any Dongle to the Dealer and its export and import into the Territory. The Dealer will also pay the cost of shipping and insurance. If RTSW incurs any costs or expense on the Dealer's behalf in respect of handling, packaging, carriage, insurance or other matters relating to the supply or delivery of the Software or any Dongle, those costs and expenses will be payable by the Dealer on demand in accordance with the Payment Terms.

4.6 The Dealer is free to set its own prices for End Users of the Software and for services supplied by the Dealer to End Users (but the Dealer acknowledges that RTSW or RTSW's other Dealers, agents, dealers and distributors may supply the Software and/or such services in the Territory at a price that may be more, or less, than the price charged by the Dealer).

4.7 The Dealer will pay RTSW the Charges in accordance with the Payment Terms. The charges for each licence of the Software will be payable as soon as RTSW accepts the Manufacturer's order for a licence for a licence of the Software. Other Charges will be payable as set out in the Schedule.

4.8 Any delivery dates are approximate only and RTSW will not be liable if any delivery date is not met.

4.9 RTSW may make partial deliveries of copies of the Dongles and may invoice the Dealer even though the whole order has not been delivered. RTSW will not be liable for any shortfall in delivery unless the Dealer notifies them to RTSW within 7 days after delivery.

4.10 If the Dealer fails to make any full payment of any amount to RTSW when due, without prejudice to any other right or remedy available to RTSW:

4.10.1 RTSW may withhold, suspend, or delay delivery of all or any of: the Dongle under all or any orders, the supply of Updates and Error Corrections to the Dealer; or the supply of any services

4.10.2 The entire balance outstanding under all invoices from RTSW to the Dealer will become immediately due and payable to RTSW without further demand; and

4.10.3 The Dealer will pay interest on any overdue sum and the costs of recovery in accordance with the Late Payment of Commercial Debts (Interest) Act 1998. Where the Late Payment of Commercial Debts (Interest) Act 1998 would not normally apply, interest on any overdue sum will be calculated on the same basis.

4.11 The Dealer may not withhold any payment to RTSW by reason of any claim against RTSW, nor claim any right of set off.

4.12 Risk in the Dongles will pass to the Dealer when they leave RTSW's premises. Title to the Dongles will pass to the Dealer when the Dealer has paid, in full, for that Dongle. If the Dealer obtains possession of the Dongle before it has been paid for in full for that copy, the Dealer will

4.12.1 Keep the Dongle separate from any other goods and products and clearly Identified as the property of RTSW

4.12.2 Take proper care of the Dongle, storing it in accordance with any requirements made known to the Dealer by RTSW

4.12.3 Not sell, or part with possession of the Dongle except for supplying it to an End User in accordance with this Agreement.

4.12.4 Not create any mortgage, lien or any other charge over the Dongle

4.13 The Dealer's failure to pay the full amount in respect of any Dongle or Licence when due will RTSW the right (without prejudice to any other rights or remedies it may have) to repossess that copy of the Dongle (and to enter the Dealer's premises for that purpose if necessary, with or without notice)

4.14 Except as provided for in Clause 9, all Dongles and copies of the Software supplied to, or downloaded by, the Dealer are for supply to End Users

## 16. Warranties and Liability

16.1 The Dealer acknowledges that the Software is complex and that the Software may have certain defects when delivered. The Dealer agrees that RTSW's sole liability, and the Dealer's sole remedy if there is any bug, fault or error in any copy of the Software is to accept the return of that copy if rejected by the End User in accordance with the End User Licence and to refund the Dealer the price paid by the Dealer to RTSW for the licence of that copy.

16.2 Without prejudice to Clause 16.1, but subject to Clauses 16.3 and 16.5, RTSW's total liability to the Dealer, whether in contract, tort, including negligence, otherwise will:

16.2.1 In relation to any claim by an End User in respect of any defect, error, bug or deficiency in the Software, not exceed the price paid by the Dealer to RTSW for the licence for that End User.

It is not within the scope of RTSW's obligations to enquire as to, or verify the accuracy or completeness of that information.

16.5 The Dealer acknowledges that the limitations of and exclusions on RTSW's liability in this Agreement are reasonable in the light of RTSW's insurance arrangements and that RTSW is willing to accept a higher limitation on its liability providing it is able to obtain full insurance cover for its liabilities and the Dealer pays the costs of obtaining and maintaining any increased cover.

16.6 Nothing in this Agreement limits or excludes RTSW's liability for death or personal injury caused by its negligence or for fraud.

16.7 The Software has been developed for use with the Equipment. RTSW will not be liable for any failure of the Software to operate with any hardware, software or operating system

except the Equipment or for any degradation in performance or reduction in functionality caused by the use of the Software with any other equipment, software or operating system.

In particular, RTSW will not be liable if any modification has been made to any of the Software by anyone except RTSW.

16.9 RTSW will not be liable under the warranty or under any other provision of this Agreement to the extent that any loss or damage is caused by the Dealer's failure to implement or distribute, the Dealer's delay in implementing or distributing any Error Correction or Update that would have remedied or mitigated the effects of any Error, defect, bug or deficiency in the Software.

16.10 Because of the nature of the Software, RTSW does not warrant that the Software will be error free or that it will run without interruption, or that every error, defect, bug or deficiency can be, or will be corrected.

16.11 The express undertakings and warranties given by RTSW in this Agreement are in lieu of all warranties, conditions, terms, undertakings and obligations on the part of RTSW implied by statute, common law, custom, trade usage, course of dealing or in any other way. All of these are, to the extent permitted by law, excluded.

16.12 The Dealer warrants that it has not been induced to enter into this Agreement by any representation or by any warranty (either oral, or in writing) except those specifically set out in this Agreement as warranties.
