

Upward Bound Math-Science Article Summary Rubric

Assessment	Category	Criteria
	Assignment Information (5 pts)	The upper left corner includes: student name, high school mentor teacher name, and the date the paper was submitted.
	Length (5 pts)	At least 2 pages, size 12 font
	Formatting (5 pts)	Arial or Times New Roman, Size 12 Font. Double spaced. Submitted electronically in .doc or .docx file type.
	Paper Summary (80 pts)	Includes specific examples from the articles. Paragraphs flow smoothly from one to another. Very few errors in spelling or punctuation. Shows analysis of the information. Reader gains significant insights about the topic. The summary is paraphrased and original writing, NOT just copied and pasted sentences from the article. Any direct quotes are not overly long.
	Works Cited (5 pts)	Paper includes a works cited section or footnote that contains the citation of the article summary done in APA format.
