

Student Progress Report Form
American & New England Studies Program

Please fill out this form and bring it with you to the mandatory meeting that will be held for all PhD students in April. Before attending the meeting, you will need to meet with your advisor, bring a copy of this form for her/him to keep, and have her/him sign the form that you will bring back to AMNESP. If you need assistance, Julia Gawle can help you with some of the questions. Submission of this form – along with your attendance at the meeting – will be necessary for us to complete your registration and process your financial aid for next academic year.

Students outside of the Boston area or who have teaching obligations that make it impossible to attend the meeting should get in touch with Professor Hunt Howell at: whhowell@bu.edu.
