Essay: Your Voice

In addition to the essay you have written for the Common Application, please write an essay of about 500 words (no more than 650 words and no fewer than 250 words). Using one of the themes below as a starting point, write about a person, event or experience that helped you define one of your values or in some way changed how you approach the world. Please do not repeat, in full or in part, the essay you wrote for the Common Application.

1. ☐ Tell us about a person who has influenced you in a significant way.
2. ☐ *"One of the great challenges of our time is that the disparities we face today have more complex causes and point less straightforwardly to solutions."*

Omar Wasow, assistant professor of politics, Princeton University; co-founder of Blackplanet.com.

This quote is taken from Professor Wasow's January 2014 speech at the Martin Luther King Day celebration at Princeton University.

3. ☐ *"Princeton in the Nation's Service" was the title of a speech given by Woodrow Wilson on the 150th anniversary of the University. It became the unofficial Princeton motto and was expanded in 2016 to "Princeton in the nation's service and the service of humanity."*

Woodrow Wilson, Princeton Class of 1879, served on the faculty and was Princeton's president from 1902–1910.

4. ☐ *"Culture is what presents us with the kinds of valuable things that can fill a life. And insofar as we can recognize the value in those things and make them part of our lives, our lives are meaningful."*

Gideon Rosen, Stuart Professor of Philosophy and director of the Behrman Undergraduate Society of Fellows, Princeton University.

5. ☐ Using a favorite quotation from an essay or book you have read in the last three years as a starting point, tell us about an event or experience that helped you define one of your values or changed how you approach the world. Please write the quotation, title and author at the beginning of your essay.

Essay

Engineering Essay

If you are interested in pursuing a B.S.E. (Bachelor of Science in Engineering) degree, please write a 300-500 word essay describing why you are interested in studying engineering, any experiences in or exposure to engineering you have had, and how you think the programs in engineering offered at Princeton suit your particular interests.
