## COMPUTING IN THE MODERN WORLD CAREER ASSIGNMENT

# Career Research Project

Teacher: Mrs. Slusher

Course: Hospitality

Grades: 9-12

Time Frame: 2 class periods

Objective: Compare and contrast careers in travel and tourism along with their education, training requirements, and salary ranges.

### RESEARCH

---

1. Groups will use various websites and ILP tools to explore and identify 5 jobs that include the any of the words "Airlines, cruise, convention or event planning, travel and tourism" in the job description. A requirement is that each job must be from a different area of travel and tourism. Examples (flight attendant vs hotel clerk) look in the 5 areas discussed in class 1. Airlines
  2. Convention
  3. Cruise Lines
  4. Travel Agency
  5. Tourism
- . These jobs should be real job postings found anywhere in the US from your sector that you are researching.

Day 2

### REPORT

---

1. Once jobs are identified, Groups must create a table which contains these headings: job title, company name, job description, educational requirements, training requirements, salary range, and software packages used.
2. Reflection: Students will answer two questions:
  - a. For every job, answer this question: Does this job appeal to you? Why or why not?
  - b. In conclusion: What did you learn from this assignment? Which job title yielded the most hits for you?
