

Artist Statement

When your artwork is completed you will be expected to write an artist statement. An artist statement is a piece of writing that explains how you created your artwork and what your artwork is trying to communicate. The following is a guide for your artist statement.

- **What did you learn about?**

Sentences starter:

While creating my _____, I learned about (the technique), (the history) and the process.

- **What was the process used to create your artwork?**
(Explain what you did from the planning to the finished product. Include project media.)
- **How did you use art elements and design principles in your composition?**
- **What message does this artwork communicate?**

Use specific vocabulary learned in the lesson. Your writing should use correct grammar and be written in complete sentences.
