

2018 Strategic Training Plan Conference

NER Area 5 invites you to this valuable conference which focuses on developing the skills needed to manage a Council or District training program, as well as the skills needed to identify and develop training team members.

The Strategic Training Plan Conference provides key individuals within the District and Council, the skills necessary to be a critical resource to help improve the Council Training Program. The Strategic Training Plan is not an official title for a specific plan or document, but rather a concept to use in developing a flexible and adaptable plan for individuals to use in their home District or Council.

The conference will focus on developing servant leadership skills of participants, and teach them the skills necessary to analyze, plan, manage, and evaluate the training plan they will help develop.

Who should attend:

- Currently in (*or entering into*) a position of training management responsibility as a Council Training Chair, District Training Chair, Training Advisor or a representative for one of these positions
- Have completed The Fundamentals of Training and The Trainer's EDGE
- Have a basic understanding of your Council's long-term service goals and objectives
- Prepared to offer 18-24 months of guidance to your Council Training Program
- Must be approved by your Scout Executive
